

Casket Selection Guide

The value, selection and retail price of caskets are affected by a number of factors including:

- materials of construction • design details • personalization features

Material of Construction Creates Value Differences

Bronze & Copper

- The best quality casket material available
- Durability and beauty
- Naturally resistant to rust and corrosion
- Premium grade velvet interiors

Wood

- As with fine furniture, the species of wood affects appearance and price
- Available in solid hardwood and premium veneers
- Wood offers both warmth and natural beauty
- A variety of interior selections to meet budget and style considerations

Stainless Steel

- Premium grades are naturally rust-resistant and long lasting
- Basic grades feature patented cathodic protection which uses an electrochemical reaction to inhibit the formation of rust
- An appealing mid-range selection for those seeking attractive finishes in a wide range of styles and shapes

Carbon Steel

- Available in several thicknesses
- Available in a variety of shapes and colors
- A variety of interior selections to meet budget and style considerations

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Disclaimer of Warranties: Our funeral home makes no representations or warranties regarding caskets, outer burial containers, or other funeral goods sold by the funeral home. The only warranties, express or implied, granted in connection with the goods sold with this funeral service are the express written warranties, if any, extended by the manufacturer thereof. DISCLAIMER OF WARRANTIES Our funeral home makes no representations or warranties about caskets or outer burial containers other than those made by the manufacturer. The only warranties expressed or implied, granted in connection with the goods sold with this funeral service are the expressed written warranties, if any, extended by the manufacturer thereof. The funeral home hereby expressly disclaims all warranties, expressed or implied, relating to the caskets or outer burial containers, including, but not limited to, the implied warranties of the merchantability and fitness for a particular purpose.

The terms "Protective" and "Non-Protective," which may be found in some printed material provided by the manufacturer, were chosen by the manufacturer and do not constitute or imply a representation or warranty by the funeral home. Although certain caskets offered for sale by this funeral establishment may be of better quality construction and comprised of more durable material than others, neither this funeral establishment nor any of its employees represents or implies that any casket will be airtight or watertight or will provide long-term preservation of human remains.
