Copper Triune

Venetian

Monticello

**In most areas of the country,** state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Disclaimer of Warranties: Our funeral home makes no representations or warranties regarding caskets, outer burial containers, or other funeral goods sold by the funeral home. The only warranties, express or implied, granted in connection with the goods sold with this funeral service are the express written warranties, if any, extended by the manufacturer thereof. No other warranties of merchantability or fitness for a particular purpose are extended by the funeral home.

FUNERAL HOMES & CREMATION SERVICE

# CASKET PRICE LIST

**These Prices are effective July 3, 2024, but are subject to change without notice.**

**DISCLAIMER OF WARRANTIES** Our funeral home makes no representations or warranties about caskets or outer burial containers other than those made by the manufacturer. The only warranties expressed or implied, granted in connection with the goods sold with this funeral service are the expressed written warranties, if any, extended by the manufacturer thereof. The funeral home hereby expressly disclaims all warranties, expressed or implied, relating to the caskets or outer burial containers, including, but not limited to, the implied warranties of the merchantability and fitness for a particular purpose.

The terms "Protective" and "Non-Protective," which may be found in some printed material provided by the manufacturer, were chosen by the manufacturer and do not constitute or imply a representation or warranty by the funeral home. Although certain caskets offered for sale by this funeral establishment may be of better-quality construction and comprised of more durable material than others, neither this funeral establishment nor any of its employees represents or implies that any casket will be airtight or watertight or will provide long-term preservation of human remains.
